

Splice Sleeve North America, Inc. Welcomes 2 New Staff Members

Splice Sleeve North America, Inc. is pleased to announce that new staff members, **Soubhagya “Sou” Rout**, E.I.T. as Project Engineer and **Naoko Kurahashi** as Business Development and Administration joined the Company to improve technical and customer services. Our **Brenda Ertman**, Customer Service Representative, will continuously take all orders.

Both **Sou** and **Naoko** will be attending the upcoming PCI Convention and National Bridge Conference in Grapevine, Texas from September 21-24, to welcome our long-time and prospective customers. Please stop by our **booth #328**. Along with **Tomiro Kaya**, President of Splice Sleeve Japan, Ltd., and **Toshi Yamanishi**, President of Splice Sleeve North America, Inc., we look forward to seeing all of you at the show!

Soubhagya “Sou” Rout, E.I.T.

Sou earned his Masters of Science in Civil Engineering degree from Lawrence Technological University, Southfield, MI this May, 2013.

Sou's main responsibilities is to

- Handle all technical and engineering matters for NMB Splice Sleeve System,
- Make technical presentations to existing and potential clients,
- Offer site trainings for grouting work of NMB Proprietary Grout,
- Communicate with State Department of Transportation regarding technical matters,
- Communicate with relevant authorities to obtain certifications of products.
